**THE CORPORATION OF DELTA**

Community Planning and Development

Building & Inspections Division

**PROCEDURE No. 07P**

**SUBJECT:** Plumbing Fee Calculations

**AUTHORITY:** Delta Building/Plumbing Bylaw No. 6060, 2002

**Updated:**

**Revised: October 2, 2013**

**INTENT:**

The Plumbing Fee Calculation Table is to be used to assist in the calculation of the plumbing fee on building & plumbing applications.

**BACKGROUND:**

The process for recording this information within the Department has changed. This table is to be used to ensure accuracy for the calculation of plumbing fees for all building and plumbing permit applications, excluding single family.

**PROCEDURE:**

Applicants are to be made aware that this information will be required as part of their application package. This information will be relayed to applicants from the ACT's.

**Submitted by:** G. Scott

**Approval Received by Director**

**Effective Date:**

**Revised: October 2, 2013**
