MESSAGE FROM MAYOR GEORGE V. HARVIE AND COUNCIL

Waste reduction initiatives continue to be a priority in Delta and your support in Delta's Curbside Collection Program helps to ensure that recycling and green waste materials are diverted from the landfill.

The Large Item Pick-Up Program continues to be available as a flexible way for residents to dispose of bulky items throughout the year. Residents can also download Delta's free Recycling App to learn how to properly sort materials and receive curbside collection reminders.

Thank you for participating in our Curbside Collection Program and for keeping recyclable and compostable items out of the garbage, and out of the landfill. Together, we can ensure a brighter and cleaner future for Delta.
