## A Message from Your Board of Directors

As we begin 2026, I would like to wish all of our members a healthy and happy New Year. The start of a new year is also a time for reflection and renewed purpose, and it is exciting to look ahead at what's to come. In 2026, we are looking forward to expanding our programs, exploring additional program times, strengthening community connections, and creating even more opportunities for the 50+ population. None of this would be possible without the continued commitment, care, and generosity of our volunteers. One of the greatest joys of my role is seeing the meaningful connections that form—between volunteers and members, and among volunteers themselves—and the positive impact this has on our centre each day.

Our volunteers make an incredible difference every day. From welcoming members with a friendly smile, to assisting with programs and special events, to offering companionship and support, their presence is felt throughout the centre. Because of their dedication and care, our centre remains a warm, inclusive, and vibrant place where members feel connected, supported, and truly valued.

If you have ever considered volunteering, the new year is a wonderful time to get involved. Whether you can help regularly or occasionally, there is a place for you here. I also encourage you to spread the word to friends, family members, or neighbours in the 50+ community who may be interested in participating or volunteering with us.

There's even more to look forward to—**darts will be coming soon!** We are excited to introduce this new activity and to continue building a welcoming, active, and connected community together.

Let's show our Volunteers how much we appreciate them—a simple “thank you for volunteering.”

**Linda Christoforou**

## Crafty Ladies

The Crafty Ladies had a fantastic year. On October 25, 2025 we sent off 5,000 plus items!

On November 28, 2025 a women's shelter received over 740 items cosmetics, lotions, etc. A youth group that had aged out of foster care got items for their Christmas party—enough for 30 teens.

Option's Healthy Baby Program picked up 30 layettes, which makes a total of 142 year to date. That also is part of 517 layettes donated since 2016 when we started keeping statistics. The layettes contain a crib-sized afghan, a fleece towel, receiving blanket, sweater and hats, clothing (sleepers, onesies), face cloth, soap, and toy. They also picked up extra toys and toddler clothing.

We are planning to continue donating in 2026 with a change of format. We will be sending the first lot of items out March-April. The need is great all year. The most requested items are socks, toques, mitts and scarves. With your help I know we can make a difference to a vulnerable person.

We are still accepting yarn; 4-ply knitting worsted is the one used for all our items.

Thanks to you the membership for all you support.

# Kennedy Volunteers

## Volunteer of the Month ~ Gabi H. ~

I immigrated to Canada from Italy with my family in 1954. After getting married, I lived in many cities across Canada, gaining a wide range of life experiences along the way.

Before having children, I worked in the school system, primarily as a library tech. I then became a stay-at-home mom for 17 years, a role where I truly did it all, while raising my two daughters. I am now also the proud grandmother of two granddaughters.

Coming to Canada gave me a wonderful life filled with opportunities and experiences I might never have had otherwise. I later joined Kennedy as a member and started out by playing ping pong. Over time I made many meaningful friendships while participating in fitness activities and programs.

After COVID, I decided to volunteer, as I had the time and wanted to give back. Volunteering has been a joy—I have just as much fun as the members I serve. It is very rewarding to know that the membership truly appreciates the service and dedication that volunteers provide.

## Kennedy Volunteer Stats:

During the month of December, Kennedy volunteers generously donated 974 hours of their valuable time.

## Volunteer Opportunities:

**Scrabble Convener:** Volunteer needed for Saturdays 1-3pm.

**Back-up Dart convener:** Back-up volunteer for Darts Wednesdays 330-530pm.

**Pickleball Back-up Convener:** back-up convener for various sessions or even a single time slot (Mondays, Tuesdays, Wednesday evenings, Thursdays or Saturdays).

**Cashier 88:** Do you feel that you can deal with handling money? If so, training is provided for back-up positions.

**Kitchen Support:** Do you have Food Safe? Would you like to be back up for Café Eight-Ate and/or special events?

**Greeters:** Afternoon shifts are available. We are looking for volunteers to warmly greet customers as they enter the facility, give centre tours, and create a positive and inviting atmosphere.

Please contact Linda C. or Katie, our Volunteer and Customer Service Coordinator, for any other volunteer opportunities.

**Pinky, Manpreet and Shirley

## January is Social Connections Awareness Month: Conquering Loneliness and Isolation as You Age

As we get older, our social lives inevitably change. Major milestones like retirement, the loss of loved ones, or even new physical limitations can often lead to feelings of loneliness or social isolation. While these feelings are completely common, it is vital to understand that they don't have to be permanent. By taking small, actionable steps to build and maintain meaningful connections, you can significantly enrich your life and improve your overall well-being.

### **Loneliness vs. Social Isolation: Knowing the difference**

While they often occur together, loneliness and social isolation are two distinct experiences:

- **Loneliness** is an emotional state—a feeling of sadness or emptiness that arises when your social needs are not being met. It is possible to feel lonely even when you are surrounded by people.
- **Social Isolation** is a physical state—the actual lack of social contact or interaction with others. You can experience social isolation while still maintaining a close-knit circle (if those interactions are fulfilling).
- Both conditions can significantly impact your mental and physical health. They are linked to increased risks of depression, anxiety, and even cognitive decline.

### **The power of connection**

For older adults, staying socially connected can improve overall health:

- Boost mood and enhance longevity.
- Help maintain brain function and reduce stress.
- Research consistently shows that engaging with others can substantially improve quality of life.

**Strategies to Build Connection** It's never too late to rediscover a sense of belonging. Start by trying one of these simple steps:

**Reach out to a loved one:** Regular phone calls, video chats, or even old-fashioned letters are fantastic ways to stay connected with those you care about. Don't be afraid to make the first move—many people are eager to reconnect but may not know how to start the conversation.

**Join community groups:** Look for opportunities right in your neighborhood, such as local clubs, volunteer organizations, or religious groups. These groups are excellent places to meet new people and form lasting friendships.

**Engage in new hobbies or interests:** Taking up a new activity—whether it's gardening, knitting, painting, or learning a new language—can provide both a sense of purpose and built-in opportunities to meet others who share your passion.

**Consider technology:** In today's world, technology is a powerful tool for connection. If you are unfamiliar with video calls or other apps, there are plenty of simple tutorials and support services available to help you get started.

**Reach out for professional support:** If you are persistently struggling with feelings of loneliness or isolation, consider talking to a therapist or counselor, many professionals specialize in helping older adults navigate these exact challenges.

Loneliness and social isolation are challenges that many older adults face, but they are absolutely not insurmountable. By taking these small, deliberate steps, you can find joy in meaningful relationships and enrich your life at any age.

## Dear Members,

C.S. Lewis says, “you are never too old to set another goal or to dream a new dream.” McKee can be a perfect place to dream a new dream. As we welcome 2026, we have many opportunities to set a goal and realize a dream. A goal of the Board of Directors was realized when Lynda Hudon took on the Day Trippers program. Lynda has used her creative energy to find a variety of destinations and experiences for members to enjoy. Along with Lynda’s hard work in planning the day trips, we are also grateful to the City of Delta’s Seniors Bus program. With the kindness of the drivers and Lynda’s sense of fun the Day Trippers program will continue to offer exciting places to explore.

A January goal of the Director of Instructional Programs, the intrepid Denise, is to offer new fitness programs. LEAP (Low-Impact Easy Aerobic Program), Muscle Max and Stiffness Solutions in the late afternoon beginning in January.

While spring is a far way off and shovels will not hit the ground for awhile, the board is working on yet another goal; with the help of the City of Delta and a community organization our goal is to improve the garden space and increase the healthy fresh produce for McKee members.

I know that the Board of Directors joins me in wishing you a healthy, happy Hogmanay!
