Dear Members,

As we reach the halfway point of the year, we can look back on many wonderful programs, activities, workshops, and social events, and there is still much more to come! To kick off Seniors Week on Monday, June 1, we are honoured to host BC Seniors Advocate Dan Levitt. Dan is an acclaimed international speaker, elder care leader, writer, and gerontologist who specializes in helping create better lives for older adults. His presentations inspire audiences with a fresh and positive mindset on aging and thriving in the 21st century. This is a rare opportunity to hear him speak, and we encourage everyone to attend.

Seniors Week, running June 1-6, offers many opportunities to bring guests and introduce them to our wonderful Kennedy community. All drop-in activities during Seniors Week are free, so be sure to invite family and friends to join the fun.

Our popular Choose to Move program has started and is now full. If you are interested in participating in the fall session and building healthy, physical activity habits, please leave your name at the Customer Service Desk.

We are also excited to announce a very special members-only event on Saturday, June 27 featuring Elvis tribute artist Steve Elliott. Steve is a world-class entertainer and we are delighted to welcome him for what promises to be a fantastic evening.

Our 90+ Mad Hatters Tea Party is Tuesday, June 9. If you are unable to pick up your invitation in person, call 604-594-2717 and we'll be happy to mail it to you.

Thank you to our more than 100 dedicated volunteers who, along with our members and participants, make Kennedy a vibrant and welcoming place to connect, learn, and celebrate together. Your time, energy, and community spirit help make all of these wonderful programs and events possible. We look forward to sharing an exciting summer!

Kennedy Volunteers

Volunteer of the Month ~ Ronnie S. ~

I have had the privilege of being a member of Kennedy Seniors Centre for the past 16 years. Not only have I enjoyed participating in the wonderful exercise programs offered, I also enjoy attending the Card Making Group.

Since joining Kennedy I have volunteered annually at the Remembrance Day Ceremonies, serving coffee and cookies. I also, assist Karen A. with the library and Linda R. with AGM preparations.

I grew up in New Westminster, graduated from Lester Pearson High School, attended UBC and graduated in nursing. After graduation, I married and we moved to Prince Rupert where I practiced Community Health Nursing, working for the Provincial government for several years.

We returned to the lower mainland in 1975, moving to North Delta where our three children attended school, then university. I continued my nursing career working for VGH, Vancouver and Burnaby Health Departments. I retired from nursing to care for family.

Larry and I have enjoyed an active lifestyle, curling on Friday nights, cycling parts of the Trans Canada Trail network, bicycle camping on the island of Kauai and finally a combined bike and barge tour of Belgium and The Netherlands to highlight a few of our cycling adventures throughout the years.

We continue to attend Kennedy, participating in various programs and activities and enjoy socializing with all whom we meet.

Total volunteer hours for May were 1,036.
Thank you to all our helpful volunteers!

City of Delta

Dear Wise & Wonderful Readers,

I have been a City of Delta Clerk, working for Delta's seniors for 20+ years. My biggest and favourite challenge has been putting together your newsletters. At first, as a naive young 40-year-old, I thought all the wonderful programs I was inputting seemed very distant and abstract—something nice to look forward to for my eventual retirement.

Now that I find myself physically working at Kennedy's Seniors Centre, and now that I am also over-qualified to be a member, I see the enormous value of the services we offer, and the enjoyment of our participating members is obvious. I am proud to contribute to the lively atmosphere and vibrant seniors who keep life fun and interesting at our centres, and I'm all about the fun!

Whether you're looking to socialize, learn a new skill, practice an old one, or get some exercise, we have you covered. Take a moment to look at all the programs offered during Seniors Week and throughout June and challenge yourself to try something new this month. Your favourite new activity is waiting for you!

Cheers!

Marlene deBoer
Clerk, City of Delta

Did you hear about the restaurant on the moon?

The food's great, but there's no atmosphere.

I was robbed by six dwarves today.

Not happy.

Introducing Bev:

Bev is one of our treasured bus drivers! Bev is a true Vancouverite, having been born and raised here on the West Coast. Before joining the Delta team, Bev enjoyed a career at BC Hydro Transmission in the Customer Service Section. Bev has a beautiful family; she's been married for 47 years and has one son and one daughter. But the apples of her eye are her precious grandchildren, she has four grandsons! Bev will be taking the grandchildren camping in August (she says her daughter thinks she is nuts). She is sure to have a great time. Bev drives the Seniors Bus for fun. She likes talking to the riders and enjoys all their stories.

Thank you Bev!

Kennedy

Tue, Jun 9 10-11:30am Event ID: 102547

McKee

Wed, Jun 10 10-11am Event ID: 102542

Overthinking is something we all do—replaying the past, catastrophizing the future, or getting stuck in loops of doubt and analysis. It feels like problem-solving, but usually just leaves us anxious, overwhelmed and stuck.

Clinical psychologist Dr Jessamy Hibberd will share insights from her new book *The Overthinking Cure*. You'll learn why we overthink—including the role of the 'expectation gap'—and how to break the cycle before it spirals into low mood, anxiety or paralysis. Non-members welcome. Space is limited, please pre-register.

Hotline: 604-946-3200

For more information, visit
climateredycbc.gov.bc.ca.
In an emergency, call 9-1-1.

Get Prepared: Schedule activities in the coolest part of the day and avoid exercising in the heat. If you must go out, wear a hat and sunscreen and take a bottle of water with you.

Hot Cars Kill: Never leave kids, adults, or pets in hot cars. The temperature inside a parked car can double within minutes.

Help Others: Look after those most at risk in the heat—your neighbour living alone, the elderly, the young, people with a medical condition, and don't forget your pets.

Drink Water: Even if you don't feel thirsty, drink water. Take a bottle with you always.

Keep Cool: Seek out air-conditioned buildings, draw your blinds, take cool showers, and dress in light and loose clothing made from natural fabrics.

City of Delta: Wellness

June is Dysphagia Awareness Month

What is dysphagia?

Dysphagia is a swallowing disorder, meaning a difficulty swallowing food, liquids, or even saliva. It is not a disease in itself, but a symptom, a condition that can have several causes.

How dysphagia manifests:

- A sensation that food is “stuck” in the throat.
- Coughing or choking while eating or drinking.
- A wet or gurgly voice after swallowing.
- Weight loss or fatigue related to meals.
- Fear or stress at mealtimes.

Why it happens:

Swallowing is a complex process involving more than 30 muscles and several nerves.

Dysphagia can be caused by a stroke, a neurological disease (Parkinson’s, multiple sclerosis, ALS), head and neck cancer or its treatments, aging, trauma, structural issues (e.g. a narrowed esophagus).

It’s important to recognize the signs because dysphagia can lead to:

- Malnutrition
- Dehydration
- Aspiration (food entering the airway)
- Aspiration pneumonia, which can sometimes be severe
- Loss of pleasure and dignity at mealtimes

This is why early detection and appropriate support are essential.

The role of the dietitian:

- Determining the nutritional treatment plan
- Monitoring the nutritional treatment plan

Dietitians are therefore the professionals responsible for determining whether adapted food textures or liquid consistencies are appropriate for a person’s swallowing disorder.

Eating is a fundamental act, vital, but also deeply tied to pleasure, culture, and identity. When a person has dysphagia, eating can become complex, risky, and anxiety provoking.

Speech Language Pathologist and Geriatrician involvement are very important for assessing, diagnosing and monitoring an older person to identify this condition.

McKee Seniors Recreation Centre

5155 47 Avenue, Ladner, BC

604-946-1411

Dear Members,

Forty-four members attended the May 2 Annual General Meeting. Three new board members were elected: Fran Schiffner, Edward (Ted) Howe and Gwyneth Roodnick. I'm pleased to serve another term as your president and I look forward to continuing the collaborative work with McKee members, the City of Delta and with the creative board of directors.

Abridged President's AGM remarks:

This past fiscal year McKee members continued to express their ideas in multiple ways through the clubs and workshops that provide rich venues for expression and discussion. We did experience some unexpected events, most of which were positive. A few examples include:

- The unexpected growth in membership and the subsequent increase in registration for programs, clubs, workshops and special events;
- The unexpected changes and challenges to the nature of our volunteers' work; especially the front desk volunteers;
- These unexpected events continue to challenge us to find space to accommodate and expand.

Please read the McKee Annual Report. It's our way of sharing with you how goals were met and members' issues and needs supported. Copies can be found at the Front Desk.

A few new initiatives that are on the drawing board:

- A renovated and renewed McKee Garden;
- An exploration of McKee space and an initiative as to how to better use the existing space and create additional space;
- A Merry Berry Tea honoring our 90+ members 90;
- A re-opening of the Kee Café;
- And, because we had so much fun, another sock hop!

In closing I would like to acknowledge the creative talent of the volunteers who organized and hosted the McKee 20th Anniversary Gala. It was an amazing event marking a historic milestone in our current building.

President**
