Form M – Colour Photos

For some applications, colour photos are required to assist with the application review process. These photos can be taken by the applicant but must meet the following minimum requirements for submission:

- ❑ In colour
- ❑ In a 4” x 6” or 8.5” x 11” format
- ❑ Include:
  - ❑ One photo of the front of the subject property as viewed from the street
  - ❑ One photo of the back of the subject property as viewed from the rear property line
  - ❑ One photo of each neighbouring lot as viewed from the street (two photos in total)
  - ❑ Additional photo(s) to illustrate the site conditions
- ❑ Indicate the direction of view

For Heritage applications, the following is required in addition to the above-mentioned minimum requirements:

- ❑ Current colour photos of heritage resource from different angles
- ❑ Colour or black and white archival photos if available
