Bookings are taken on a first come first serve basis and we need to confirm your booking at least one week out from your chosen date. We will do our best to accommodate your preferred times/dates.

Currently we **ONLY** book programs Tuesday-Thursday from either 9:30-11am or 12:30-2pm. Please provide your top 3 preferred dates and start times.

Date #1 + Time:

Date#2 + Time:

Date #3 + Time:

Bookings are only confirmed with registration confirmation.

Cancellation policy: Please give 48 hours notice when cancelling or rescheduling school program as we need to inform program leaders.

Inclusion needs for students:

Maximum group size that we can accommodate per program is 30 participants. Any more and you will need to book two separate sessions.

Please send completed form to DiscoveryCentreBookings@delta.ca

In-person School Programs available:

New! Feature Exhibition School Programs - Grade K-7; French/English
We are delighted to offer new temporary exhibitions at the museum, each with an accompanying school program. Book now for these curriculum focused, hands-on Feature Exhibition School Programs.

- Harvesting Delta - available October 27, 2026 - January 28, 2027
- Delta's Gardens and Green Thumbs - available February - June 2027

Cedar, Wool & Feathers - Grades K-2; French/English
Textile arts help us convey our complex identities. Learn about how natural resources contribute to Delta's diverse cultural fabric. Practice your weaving skills and help create a class quilt in this engaging and tactile program.

Discovering Delta - Grades 3-4; French/English
How does the geography and ecology of Delta affect its development? Learn how a delta is formed through a live water table demonstration, explore Delta's four ecosystems through a hands-on activity and complete a thematic TRAIL scavenger hunt.

Immigration Stories - Grades 5-6; French/English
How do immigrants shape the cultural landscape of Delta? Discover stories of Delta's immigrant populations, the hardships they face, and how they have become key members of Delta's communities through a point-based scavenger hunt.

Winter Wonder – Grades 3-6; French/English
Between November and December, come down to the Discovery Centre to learn all about how Delta's communities celebrated during the holiday months. Explore how they braved life in cold temperatures by completing a winter themed TRAIL scavenger hunt and completing a winter craft to take home.

Digging Roots – Grade 7
Learn about the importance of agricultural roots to ancient civilizations such as Mesopotamia and Ancient China through a one-of-a-kind board game. Students will be split into groups and assigned a civilization. Their goal is to complete their settlement by gaining and trading resources, all while encountering roadblocks such as climate catastrophes or military conquests.

Self-Guided Exploration – Ages 5+
Learn about Delta's rich past through a physical and digital experience. Follow the TRAIL system to take an interactive tour through our themed kiosks and explore the rest of the exhibitions through a structured self-guided tour.

Private Guided Tour – Ages 5+
Discover some of Delta's stories, objects, belongings, and communities during a highlights tour through our exhibitions. Each tour features family-friendly activities led by our experienced staff.
