MESSAGE FROM MAYOR GEORGE V. HARVIE AND COUNCIL

Thank you, Delta!

Our residents embraced the changes to the City's recycling program last year and we are excited that our community is now part of Recycle BC, the province-wide recycling program which ensures packaging and paper products are responsibly recycled. We couldn't have made this change without you!

As we move forward, please continue to **Recycle It Right!** Sort your household materials and keep recyclable and compostable items out of the garbage and out of the landfill. Please use this guide to learn more about how to divert your waste and reach out to the City if you have any questions – we are here to support you! Remember, the actions you take today will help fight climate change and protect our environment for tomorrow.

Together, we can ensure Delta remains a great place to live, work, and play.
