Chris O' Riley, President and CEO
BC Hydro
333 Dunsmuir Street
Vancouver, BC V6B 5R3

Dear Mr. O' Riley,

Re: George Massey Tunnel Transmission Relocation Project

Thank you for the presentation provided by BC Hydro staff on the Transmission Relocation Project at Delta Council's Regular Meeting on February 13, 2023. We understand the importance of relocating the existing power transmission line in conjunction with the forthcoming Fraser River Tunnel Project.

Of the three alternatives presented, "Alternative 2" – the underground transmission line built within the Province of BC's immersed tube tunnel – was the preferred option of Delta Council.

We appreciate the opportunity to provide feedback on this important project.

Yours truly,
